The Ocala Art Group, Inc. is a not-for-profit educational corporation. Membership is open to all who share an interest in fine arts. The objective of the OAG is to provide programs that appeal to every art enthusiast. A bimonthly newsletter keeps members informed about upcoming events & news.

MONTHLY OAG MEETINGS are held the second Wednesday of each month. Member and guest sign-in and refreshments begin at 11:00 am. The meeting runs from 12:00 to 3:00 pm. After a short business meeting, an art related demonstration is featured at each meeting. More information is available in the Newsletter on the website.

OUR MEETING LOCATION is the beautiful Appleton Museum of Art. The museum is located at 4333 E. Silver Springs Blvd. across from Lowes.

Each year the OAG sponsors at least four **ART SHOWS** to allow members to exhibit their work including a special exhibit at the Ocala Civic Theatre and Brick City Center for the Arts gallery. Less structured venues for exhibits are also being planned.

A bonus included in the OAG membership is the **CAMERA CLUB** and **OCALA DIGITAL ART MASTERS (ODAM)**. The Camera Club promotes interest in the camera not only as a medium for artist, but as a necessary tool. The club offers critiques and problem solving advice. ODAM promotes digital art and enhancing computer art skills. Each group meets once a month. See OAG's website for details.

Message to the Membership

The Ocala Art Group, Inc. (OAG), was founded in 1950, dedicated to "promote and encourage among its members and the public an appreciation of art in its various media." This goal has developed through the years to include monthly demonstrations, art workshops, member exhibits, and opportunities to explore our own "artist within." It is our mission to be a welcoming and nurturing community of artists and art enthusiasts, sharing our talents and experiences. Everyone is welcome to attend our meetings, but you must be at least 18 years of age to become a member and participate in our exhibits and workshops.
